Courtesy hotel pickups are seasonal and are not guaranteed as they are based upon vehicle availability. You **MUST** call the phone number on your printed electronic tour voucher to schedule pickup. Please arrive at the courtesy pickup point 5-10 minutes prior to the scheduled vehicle arrival time. It isn't always possible to return passengers directly to their hotels. However, passengers will be returned as close as possible. Pick-ups begin about one hour before tours depart, at the *approximate* times above.
